FIRECRACKER RUN HOSPITAL BED RACE

10:00 AM

The world famous Hospital Bed Races are back!

The long awaited tradition returns again with a "Bang" for this years Genesis Firecracker Run. Teams of 5 members, (1 rider, and 4 pushers or "runners") will compete against each other on our out and back course. Ask your employer, college, political party, booster club, or service organization to sponsor your team!!

General Information:

- A team consists of 5 members. 1 rider, who must ride on the bed for the entire race, and 4 pushers or "runners".
- You **MUST** have a runner on each corner of the bed with at least one hand on bed at all times of the push segments.
- Pushers will push the bed down the street to the turn around and then come back to the finish area where the rider will jump out after the bed is completely stopped in the marked starting box, the rider will then compete in a short obstacle course, get back in the bed and the team will go another out and back lap to complete the race.
- The 'rider' is required to use a helmet of your choice (**not provided** by race), it can be a bicycle, motorcycle, skateboard, etc helmet.
- The bed and all team members must stay in their lane for the entire race.
- Team members can not interfere with opponents in anyway during the race.
- Decisions made by event staff are final. No ifs, ands, or butts!
